

DE TOUR

FOR IMMEDIATE RELEASE.

Solo exhibition *UNPRECEDENTED* opens at Detour Gallery, October 27th.

Detour Gallery is pleased to present *Unprecedented*, a solo exhibition featuring new paintings and sculptures by Julia Rivera. This exhibition is on view from October **27th until December 1st with an opening reception on Saturday, October 27th from 6 to 9:30pm.**

Throughout the history of social movements and revolts, art has always reacted to oppression, violence, injustice, and inequality. Julia Rivera's paintings and sculptures form a persuasive language to speak against oppression and persisting inequality regarding gender, race, or socioeconomic position.

"How can I be an artist and not reflect the times?" - Julia Rivera
